

Liverpool Yacht Club and Tranmere Sailing Club Race Calendar 2020

- Document Status:DRAFT.
- Last changed on:31 Dec 2019.
- Note: ALL times quoted are in local time (IE GMT or BST as appropriate).
- Lock times are derived data, they are provided in good faith but **MUST NOT** relied on for navigational use. They are based on the height of water over the sill being around 2.0m. Contact the lock operator for definitive information.
- Tide times and heights are derived from official data sources, which are made freely available but **MUST NOT** be used for commercial purposes. This calculated data will not be as accurate as officially published tidal data. It is calculated for the Brunswick dock lock house and will be slightly different to Alfred Dock or any other tidal station on the river Mersey.
